Ginny,

Per our discussion, I'm sending you the attached draft PWS for your QA/QC review.

Our Federal Register Notice for the ESA interpretation is pending and likely to be released in March. We are a bit behind the 8-ball in that we should have Task Order in place for the webinars occurring during the PNC period. We are being told that the Task Order will likely take 60 days to process after we provide CAD a complete package.

Your expedited review is appreciated.

Thanks!

Chris
